MEETING TOPIC

Heart Disease and Management by Dr. Woodruff, DVM

SUNDAY, NOVEMBER 5 2023 | 1 PM
VIA VIDEO CONFERENCE

Please join us for our Annual General Meeting followed by our featured presenter Dr. Woodruff, DVM. In addition, the incoming Slate of Officers and Directors will be presented for approval

Please note, the meeting link was emailed to members. If you're a guest, please email Kevin at cqebgguy@gmail.com by 12PM Nov. 5th to receive the link.

Mitral valve disease is the most common form of canine heart disease, and is especially common in older small-breed dogs. Dr. Woodruff will discuss the importance of early assessment and the tools being used.

Come join us for an informative presentation followed by a brief Q and A session
