THE ACKCSC CHARITABLE TRUST – A NEW DECADE, BY PATTY KANAN

The Bay Area Cavalier King Charles Spaniel Club is pleased to host a video conference presentation with Patty Kanan, Chairman of the ACKCSC Charitable Trust.

She will be providing an update on the most prominent of the Trust's projects. The list changes as new possibilities arise. Because of COVID-19 research has slowed, and many of the universities have cut to skeleton staff. However, there is still interesting news to report.

Patty has provided a couple of videos that will help you to understand what the Trust is doing. The first is a segment of from 60 Minutes with George Church, a leading American geneticist. It's about 10 minutes long, but it will help you understand where this research came from and it's potential. Daniel Oliver, CEO of RejuvenateBio, will also join in this presentation.

We look forward to having you join us!
