

OFA Heart and Eye Clinic | Sunday, May 21st, 2023

Hosted by the Bay Area Cavalier King Charles Spaniel Club, Inc.

**Bishop Ranch Veterinary Center
2000 Bishop Drive, San Ramon, CA 94583**

This heart and eye clinic is open to both members and nonmembers. Registrations are due no later than May 19th. Please note availability is limited, so we recommend registering early.

Heart Examinations

Dr. Kate Woodruff and Dr. Chloe Block, board certified cardiologists, will conduct examinations by auscultation or echocardiogram. Examinations begin at 9 a.m.

Auscultation	\$100 members	\$110 nonmembers
Echocardiogram	\$350 members	\$365 nonmembers
Auscultation and Echo	\$450 members	\$475 nonmembers

OFA cardiac form can be printed from www.ofa.org. Please bring your completed form(s).

Eye Examinations

Dr. Holly Hamilton, DVM, MS, DACVO, a board-certified ophthalmologist, will conduct OFA eye exams beginning at 10 a.m. You will need to arrive 20 minutes prior to your appointment for eye dilation and to complete your OFA form(s). You will also need to bring one form of permanent identification for your dog (tattoo or microchip).

OFA eye exams will be \$100 members \$110 nonmembers

Registration and Payments

E-mail Jo Anne Mittelman at lochmondcavs@comcast.net to schedule an appointment. Please include the number and type of exams you are scheduling and your preferred time. Payment information will be provided after appointments are confirmed.

Bishop Ranch Veterinary Center will be offering the following additional tests:

- Brucella \$70
- Microchip \$30
- Patella \$30 (+OFA registration fees)
- Progesterone \$60 (without interpretation)
- Thyroid Blood Panel \$105 (+OFA registration fees)
