

Care About Healthy Cavaliers? We're Asking for Your Help.

We're asking for your help. Please join the Worldwide Walk for Cavalier Health to help us raise funds for cavalier health research. If you own a cavalier, we know this is important to you. Research is the way we will solve health problems in the breed, and unfortunately, it takes money to fund those studies.

Our love for the Cavalier King Charles Spaniel is something we have in common. The ACKCSC Charitable Health Trust is dedicated to improving Cavalier health. The Trust is a 501(c)3 organization that funds research studies to provide a happier, healthier future for our dogs.

Our last Worldwide Walk for Cavalier Health provided funding that helped research, develop, and test a new treatment for Mitral Valve Disease that stops the progression of MVD for up to **10 years!** **We are excited that this new treatment is coming to market in 2023!**

Whether you participate in an organized, group walk; an individual neighborhood walk where you set the parameters, a “virtual” walk where you ask for a flat donation from your friends to support the effort, or simply a donation – **your help is appreciated and will make a difference!**

2022 Worldwide Walk for Cavalier Health September 24, 2022

Here's how to help:

- REGISTER to participate in the Walk at <https://dogwalk.ackcscharitabletrust.org//register.asp> - Simply click the "Register" button and set your personal goal (you can change your goal to whatever you like). You can walk “virtually”, alone in your own neighborhood, or as part of an organized local group walk.
- Consider making a **DONATION** to celebrate the cavaliers in your life. You can make the donation in the form of a sponsorship to yourself, another walker, or a Team (all team members' donations automatically count toward the Team totals). Or, consider making a recurring monthly donation of any amount to support our efforts through the year at <https://ackcscharitabletrust.org/how-to-help-us/donations>

- **SPREAD THE WORD!** Please let your family, friends, veterinarians, club or meet-up members know about the Walk and ask them to sponsor you, sponsor a Team, or Donate to the event. All donations are tax-deductible to the extent the IRS allows since the Trust is a 501(C)3 organization. **We'll do the collecting, and you'd be surprised how many people want to pitch in. Share this flyer!**
