***The slate of officers and directors for 2021 nominated by the Nominating Committee will be presented at the meeting. Nominations from the floor may be made at this meeting, which will be the only opportunity to do so.***

Following the meeting, there will be the following presentation:

**HOW TO CHOOSE THE PUP YOU KEEP AND  
WHAT DOES THAT MEAN FOR YOUR PET PUPPY BUYERS  
BY LINDA KORNHI, QUAIL RUN CAVALIERS**

After the meeting, Linda Kornhi will present a Zoom seminar, taken from the pages of her upcoming book. Linda is a long-time Cavalier fancier, breeder/owner/handler, Judge and Veterinary Technician, with 30 years of experience. She utilizes her extensive knowledge of animal husbandry in general and the Cavalier in particular to help breeders organize their priorities in choosing and running on that next keeper puppy.

Pet puppy buyers will benefit from insight into what they are looking for in a puppy, how to communicate that to the breeder, and why it's so important to accept your breeders recommendation. Not all puppies are created equally, and understanding what you need in addition to what you want is crucial to making the best decision with your current litter, or your upcoming purchase.
